Formulating and Communicating a Digital Learning Strategy

• Does your institution have a digital learning strategy?
• Are you in the process of formulating one?
• What does it look like in your institution?
• How do you engage your community?

Submit Questions and Follow Discussion on Twitter
#DLStrategy #EDU17
Implementation of a Digital Learning Strategy

- What projects will be delivered to support the achievement of strategic priorities?
- How do you bring change?
- How does your institution drive academic innovation?

Submit Questions and Follow Discussion on Twitter

Lessons Learned and Scale

• Discuss the challenges and opportunities you discovered on the way.
• How did you overcome obstacles and celebrate both fails and wins?
• How do you scale these efforts?
