Authentic Assessment
A Process for Organizational Change

University of Nebraska at Omaha (UNO)

Sheri Rogers
Associate Vice Chancellor for Academic and Student Affairs

Deborah Smith-Howell
Assistant Vice Chancellor for Academic and Student Affairs
It is simply not enough any longer to simply have a plan; rather, we must **articulate expectations** for students clearly, **illustrate** for students how they will meet these expectations, **identify** appropriate instruments/artifacts which actually measure the outcome (not just the easiest or most convenient), and then we must **communicate** the “**value added**.”
