myCSUNtablet

Deone Zell
Senior Director, Academic Technology
Goals

- Increase student engagement
- Improve the quality of learning materials
- Reduce the cost of learning materials
Steady Growth

4 semesters
8 majors
88 faculty
8,000+ enrollments to date
Wi-fi for the New Norm!
Faculty Support

- Workshops
- Tablet Academy
- 3 dedicated Staff
- Faculty Liaisons

- Learning Communities
- One-on-one Support
- Online Support
- Saturation Model
The Active Learning Classroom
Students Can No Longer Escape Learning

Mitosis
2 diploid cells

STEPS

1. Turn into Moodle
2. Check steps
3. Draw mitosis

Next week

chapters 2-4
Tree of Life

Curriculum App

Step 1: Pick a Tree
- Vertebrates
- Life
- Plants
- Protostomes

Step 2: Pick a mode
- Practice Mode
- Challenge Mode

Step 3: Pick a difficulty
- Easy
- Medium
- Hard

Step 4:
- Begin
Select a Level
Pass all quiz levels to join the Elite Gene Team.

- Genetic Readiness: 60% Correct
- Modes of Inheritance: 0% Correct
- Genetic Analysis: 0% Correct
Increasing Skills and Abilities
Cheat-proof, Paperless Exams
Increasing Knowledge

Introductory Biology Micro-Assessment Fall 2013

- Zero correct answers
- Half answers correct
- All answers correct

Percentage of Students

Pre-test | No iPad | iPad
---|---|---

Graph shows the percentage of students who had zero correct answers, half correct answers, and all answers correct in pre-test, no iPad, and iPad conditions.
