Target Audiences

1. **Donors.** When naming your audiences we recommend focusing on the role your audiences play and how they relate to your organization. List your audiences in order of importance. If you have a sense of their age, gender or interests those are helpful to list out for each audience.

2. Audiences that are also of interest but perhaps not as important. Influencers or decision-makers?

3. Elected officials? Partners? Other organizations working in your field?

Positioning Statement (Internal)

Clearly articulate the main benefits you offer to the public and what makes your organization unique. What sets you apart from the many other universities who serve the same beneficiaries or work in the same field?

Desired Action
All of the desired actions listed here should be tangible and measurable. Look back at your target audiences – what do you want each of them to do?

Make sure to also check your website. Do each of these actions correspond to a user-friendly page on your website? Can you create a call to action button that links to where they can easily take action? For example:

1. Alum membership
2. Donate
3. Attend annual event
4. Subscribe to get email updates
5. Take advocacy action
6. Share stories or testimonies
7. Comment & engage on social media, website
8. Admission
9. Parents participation

B. Daily/Weekly Messaging Topics for Social Media

Tip: Create “sound bites” from articles above and share across social media. Every new article can be the source/inspiration for 3-6 different social media messages. As much as possible, also include links back to articles on the website.

In this section you want to detail some of the topics you know will resonate with your target audiences and strengthen your search engine optimization. Assign % to each topic or theme to make sure your team strikes the right balance that will appeal to your audience. For example:

**Topic 1 (50%) – Research Results**

**C. Key Dates**

**Tip:** Build up to key dates with related messaging the preceding week or month, depending on the importance of the event.

**2016**

**Jan**

• Event Name
  o List key messages around event
- Details of anything that needs to happen that affects communications
  - Include any events throughout the year that involve external audiences
Section IV. Campaigns

**Tips:** Campaigns should be launched across all platforms simultaneously. Articulate a clear start date and end date, select a powerful photo or video, and create a sense of urgency. Convey the impact of someone taking action. What will you collectively achieve?

Hype it up across social media using the same campaign image / message. Keep messaging daily about campaign progress, urging people to act or help spread the word. Once the campaign is over, report back honestly on how you did. And always thank everyone for participating, regardless of what the results were.

Spell out the campaign and some core ideas, as in the examples below:

**Info Sec Event Campaign – Jan 2015**
- Use consistent image across platforms
- Main message: “Join us at opening event on Jan 12th”
- Use “Register Now” button throughout

**InfoSec Club Membership Drive – Mar 2015**
- Consistent campaign branding across platforms
- Main message: “Become an active member”
- Clearly list key benefits of membership
- Set goal of X new members by March 31st
- Ask entire community to help spread the word and help you meet your goal
- Publicly welcome new members to the community (Facebook, website)
- Encourage existing members to share why they value their membership

**InfoSec Fundraising for a Student Activity – Dec 2015**
- Set a modest fundraising goal
- Clearly communicate impact of new funding – how it will be spent
- Use a powerful photo of a beneficiary
- Short timeframe (2 weeks to meet your goal, to create a sense of urgency)
- Make sure it’s quick and easy to donate online
• Regularly check back in with community – “We’ve raised $32,000 to date, but still need $30,000 more to reach our goal. Please make your donation today and help us spread the word!”

• Report back to the community with the results. “We reached our goal! Thank you all for your participation and support!” OR “We fell short of our goal but still raised $48,500 which can have a big impact. Thank you all for your support and helping to spread the word!”
