Making the Most of Your Time

1) **Prepare:** Choose your sessions in advance
2) **Grow:** Attend sessions that introduce *new* ideas or *challenge* you
3) **Connect:** Introduce yourself or a peer to someone new
4) **Prioritize:** Set realistic expectations so you don’t feel overwhelmed
5) **Plan:** Send yourself reminders or start a “to do” list
6) **Share:** Summarize and pass along info to colleagues
7) **Divide & Conquer:** Attending as part of a team? Split up sessions to gather as much info as possible for your campus
8) **Reflect:** Assess what you’ve learned and make an action plan
9) **Discuss:** Talk with staff about ideas you can implement in 3-6 months or a year
10) **Energize:** Return to campus feeling reinvigorated and ready to focus on new projects and ideas!
